Objective

Detail-oriented computer engineering student with a passion for cybersecurity and a solid foundation in IT and scripting. Seeking a summer internship at ProSoft to gain hands-on experience in technical sales support, solution design, and security architecture. Eager to contribute to real-world security challenges while enhancing my skills in scripting, technical presentations, and client-focused problem-solving.

Experience

Game Asset Desginer
Freelance
June 2023 – Present

- Created custom clothing assets and retextured designs for integration into FiveM servers, enhancing immersive gameplay.
- Partnered with clients to deliver tailored solutions, effectively managing projects and maintaining high customer satisfaction.

Intern Team Lead - React Frontend Developer
Digital Egypt Pioneers Initiative (DEPI) - MCIT, Egypt
October 2024 – May 2025

- Led a cross-functional team of 6 in building **VocaNova**, a React-based web application that won **3rd place in the Mega Project category** at the DEPI closing ceremony.
- Acted as the primary liaison between the team, the Ministry of Communications and Information Technology (MCIT), and EYouth, managing updates, communications, and team coordination.
- Developed responsive, accessible web interfaces using **React.js, JavaScript, HTML, CSS, and Bootstrap**.
- Introduced to **Node.js and Express** to explore backend integration as part of the MERN stack.
- Applied Git version control and collaborated in agile sprints with peer code reviews and task distribution.
- Gained practical experience in leadership, debugging, and delivering production-level frontend applications.

CCNA Intern
Ministry of Communications and Information Technology (MCIT)
July 2024 – August 2024

- Developed proficiency in CCNA concepts, including configuring and troubleshooting network devices and protocols.
- Collaborated with peers to solve real-world networking challenges under professional mentorship.

Education

Computer Engineering - Bachelor's of science
Nile University, Giza, Egypt
October 2021 - Present

- Graduation Date: 2026
- GPA: 3.55/4.00

Extracurricular Activities

Founder
Pixels NU – Media and Design Club
October 2023 – August 2024

- Established Nile University's first media and design club, leading 70+ members across six committees.
- Directed creative projects and organized events, fostering collaboration and innovation.
